Executive Assistant to DCI

21 February 1952

Director of Training

Weekly Summary Report

1. The third class of the CIA Intelligence School convened on Monday, 18 February with twenty-two students enrolled. The course, formerly twelve weeks, will be fourteen weeks long effective with this class.

2. The Language Training Center of the Office of Training opened officially on Monday, 18 February in Building Eye. CIA language students assigned here will train, in a variety of languages, primarily through modern audio-visual techniques.

3. A special technical Russian course - two full days a week for three months - has been arranged [REDACTED] for selected ORR personnel.

4. Project [REDACTED] - The opening date of training was tentatively agreed upon, at a conference between D/TR, DD/TR(S), [REDACTED] held 19 February, as 9 June 1952.

5. [REDACTED] reports that [REDACTED] civilian employee [REDACTED] was injured in his eye (undetermined which one) by a fish hook cast by another individual. It is believed that [REDACTED] will lose the eye. Detailed report will be submitted [REDACTED]
